July 2024

Dear Wayne,

On behalf of the National Centre for Diversity, I would like to congratulate British Psychotherapy Foundation, their staff and stakeholders on the successful achievement of the Investors in Diversity Silver award following the assessment process.

Your accreditation runs from July 2024 and remains valid for 24 months.

In moving forward, it is important now for your organisation to disseminate your good practice and approach with your stakeholders and partners whether suppliers or clients. There are clear marketing and publicity opportunities that will arise from this achievement.

The Investors in Diversity Silver journey and achievement of the standard gives a positive message to all the stakeholders, internal and external, and each person should be congratulated for their input and success of the organisation.

Once again, congratulations on your success to date. We wish you and your organisation all the best in the future and look forward to working with you in the years to come.

Best regards,

Solat Chaudhry
